From the west of Omaha, take I-80 East until exit 446 where I-80 East separates into I-680 North going towards Center, Pacific, and Dodge Streets (with I-80 East continuing to downtown). The Pacific Street exit from I-680 North is exit 2. Take Pacific Street east/right; immediately get in the left lane. In two traffic signals, turn left onto 107th Ave.

East from Regency Lodge on Pacific, on the south side, at 103rd Street is the upscale shopping mall One Pacific Place. Opposite 103rd Street is Regency Parkway. East from Regency Lodge on Pacific Street on the north side is Regency Parkway. Regency Parkway going north from Pacific Street passes the even more upscale (e.g., Borsheim's Jewelry) Regency shopping mall; going another half mile north (and going under Dodge Street) is the regional shopping mall Westroads.
